**STIPULATED MOTION REGARDING  
DEPOSITIONS OF EXPERT WITNESSES  
AND CLASS CERTIFICATION BRIEFING  
SCHEDULE**

1 Pursuant to Local Rule 10(g), the parties submit this stipulated motion to alter certain class  
 2 certification deadlines set by the Court on November 4, 2020. (Dkt. 87.) The parties stipulate that  
 3 they may conduct expert depositions after the close of class certification discovery on July 29,  
 4 2021. (*See* Dkt. 87 at 2.) Notices of these expert depositions may be served after July 29, 2021 as  
 5 well.

6 In accordance with this change, the parties propose the following alterations to the class  
 7 certification briefing schedule:

<u>Event</u>	<u>Current Deadline</u>	<u>Proposed Deadline</u>
Class certification motion	August 30, 2021	October 1, 2021
Response to class certification motion	October 7, 2021	November 12, 2021
Reply to response to class certification motion	November 4, 2021	December 10, 2021

15 There is good cause to alter these deadlines because the parties are engaged in informal  
 16 discussions regarding potential resolution of this action. In order to facilitate these discussions,  
 17 the parties agree that expert depositions may be noticed and taken after July 29, 2021, and the  
 18 class certification briefing schedule should be extended to the dates proposed above, such that the  
 19 Parties will have sufficient time after expert depositions to adequately prepare for class  
 20 certification motion briefing.

 22 DATED this 22nd day of July 2021.
